

MEDAC activities - ADVICE

Co-founded by the
European Union

The role of MEDAC includes the **preparation of advice on fisheries management focused on sustainability**, in support of the fisheries sector in the Med, to be submitted **to the Member States and the European institutions**; MEDAC also proposes technical solutions and suggestions, related to joint recommendations too (ex. Art. 18 Reg.1380 / 2013) at the request of the Member States.
