**Subject: Request for socio-economic information on Mediterranean fisheries**

Dear Mr Pucillo

Thank you for your letter of 3 December 2021, in which you request the support from my Unit in collecting data from 2011 to 2021, by Member State, with reference to Mediterranean fisheries fleets.

Considering that much of the information requested is already publicly available, for instance from the EU fleet register ([https://webgate.ec.europa.eu/fleet-europa/search\\_en](https://webgate.ec.europa.eu/fleet-europa/search_en)), through the various reports produced by the STECF<sup>1</sup> and on the EUMOFA website (<https://www.eumofa.eu/>), I would suggest the working group first compiles the already publicly available information. Once that information is collected, my Unit remains at your disposal to examine whether additional information can be provided.

I am looking forward to our continued fruitful cooperation. Should you have any further questions on this reply, please contact Ms Pascale Colson, coordinator of the Advisory Councils ([Pascale.Colson@ec.europa.eu](mailto:Pascale.Colson@ec.europa.eu); +32.2.295.62.73), who will forward it to relevant colleagues.

Yours sincerely,

Valérie TANKINK  
Head of Unit
